

The IET office started operations in India in 2006, in Bangalore. Today, we have over 13,000 members and have the largest membership base for the IET outside of the UK. Our vision is to become the most relevant and therefore the most preferred institution for engineering and technology professionals in India.

Relevance is key

We want to demonstrate relevance to India and its growth in the 21st century and facilitate in problem-solving of issues relevant to India.

IET India Strategy

Our strategy is to be a key **influencer** in academia, industry and government in order to **impact** standards, innovation and policy to help create a **future-ready engineering workforce** and **solve societal challenges of national importance**.

We will do this by offering global expertise, best practice and quality assurance and a neutral platform that brings together **world-class stakeholders** to create roadmaps that deliver **sustainable solutions for the future**.

Swarnandhra College of Engineering & Technology (A) got IET (UK) Young Professional Student branch Membership in the year 2014.

Dear Mr.Kalyan,

Warm Greetings on behalf of IET Chennai Local Network (CLN). I would like to inform that the annual IET PATW competition has been rolled out officially. Six centres have been identified for conducting the first round of PATW, out of which Swarnandhra College will be one of the venues. The Six Venues are:

1. SRM University, Vadapalani
2. Swarnandhra College
3. KCG College of Technology
4. Saveetha Unviersity
5. RMK College
6. VIT University

The PATW Competition is for judging the Communication Skills of the Participants. They will be required to give a Presentation on any Technical Topic of their Choice for 10 mins. The first round of PATW should be over by 25th July, 2016.

Hence I request you to provide the date for conduction of the local heats in your college. Kindly mail back by 28th June as we have to start the other processes from our end. All the details are mentioned in the below website. <http://conferences.ietindia.org/patw/index.cfm>

About PATW:

PATW (Present Around The World) is the IET's Global Competition for Young Professionals and Students within Engineering to develop and showcase their Presentation Skills.

The competition is open to students, recent graduates, apprentices and young professionals between 18-30 years of age.

PATW is open to IET Members and Non Members
