Board of Studies (BoS) committee meeting (Online - Zoom Meeting) for UG(B.Tech)
Information Technology program for R20 (CBCS) regulations held on 09-01-2021

The following resolutions were made during the BoS meeting:

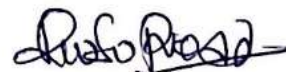

Resolution-1: BoS committee has recommended the following changes in the course structures.

01. As the "Engineering Physics" is a prerequisite for "Basic Electrical and Electronics Engineering" in 2nd semester, the committee is advised to interchange "Engineering Physics" of 2nd semester with "Engineering Chemistry" of 1st semester.
02. Advised to choose the general title rather than narrow one for "Calculus and Linear Algebra" and "Differential Equation and Numerical Methods".
03. For "IT Workshop Lab", the committee satisfied with syllabus and suggested to add Macros in Ms Excel also and advised to assign 1 lecture and 2 lab hours.
04. For "IT Essentials" subject, suggested to change title as "Computer Science Essentials/ Computer Essentials/ Computer Fundamentals". Advised to include some fundamental topics from DBMS, DS, FLAT & IoT, also suggested elaborating the syllabus of Web Basics (IV unit).
05. For Open Electives, the committee advised to remove "Introduction" before the core subjects, suggested to add some programming subjects like Python and R Programming etc.
06. Suggested to change "Biometrics" with "Computer Vision/ Pattern Recognition" and offer the generalized subjects in open electives.
07. The committee is advised to include some advanced subjects like Data Science, Neural networks and Machine learning etc in open electives.

Resolution-2:

01. Discussed and approved the course structure of I, II, III, IV, V, VI, VII and VIII semesters of R20 regulation.
02. Discussed on introducing Skills course, Honors, Minor engineering and Industrial/Job oriented tracks.
