Board of Studies (BoS) committee meeting (Online-meeting) for UG - B.Tech
CSE(Business Systems) program for R20 (CBCS) regulation held on 22-07-2023

The Chairman - Board of Studies, B.Tech CSE (Business Systems) welcomed and introduced the members of Board of Studies and thanked each one of them for sparing their valuable time to attend the meeting.

The minutes of the Board of Studies meeting held on 22nd July, 2023 were communicated to the members. The comments received have been incorporated and placed for confirmation.

Discussed and approved the course structure of III & IV semesters and suggested tentative course structure from V to VIII semesters along with Professional Electives, Job Oriented Electives and Open Electives of R20 regulations and BoS committee has recommended the following resolutions.

01. For “Data Structures using Python” course in III semester, the committee is suggested to change the title as “Data Structures” and also in lab too. They recommended conducting the lab experiments in C, C++ & Python.
02. For “Data Analysis & Visualization Lab” in III semester, the committee is advised to include the R Programming topics along with MS Excel and also suggested to move it to IV semester. Further the committee has suggested providing the lab experiments with predefined data sets and database connectivity with Python.
03. The committee is suggested to introduce new Skill Oriented Course on any accounting package software like Tally in III semester.
04. The committee is recommended to change the course title “Fundamentals of Economics” as “Business Economics” in III semester and “Fundamentals of Management” as “Principles of Management” in IV semester.
05. For “AI Tools & Techniques Lab” course of V semester, the committee is suggested to modify the title more specific to the course.

06. The committee is suggested to include the "Community Service Project" in IV semester instead of VI semester.
07. The committee is suggested to replace the Skill Oriented Course "Tableau" with "Data Analytics with Power BI".
08. The committee is suggested to redesign the course contents of "Discrete Mathematics" as per the requirements of Business Systems.
09. For the course "Computer Organization Lab", the committee is recommended to include some DLD lab programs.
10. The committee is suggested to introduce the Skill Oriented Course "RPI Tools" in the course curriculum.
11. The committee has recommended encouraging the faculty members to participate in Faculty Development Programs on Business Systems.
