Date: 22nd July, 2023

Board of Studies (BoS) committee meeting (Online-meeting) for UG - B.Tech
CSE(Cyber Security) program for R20 (CBCS) regulation held on 22-07-2023

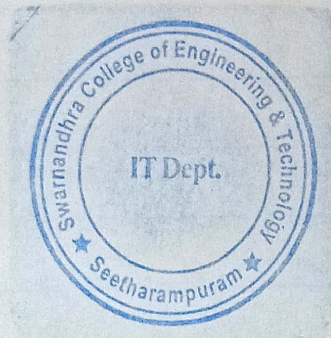

The Chairman - Board of Studies, B.Tech CSE (Cyber Security) welcomed and introduced the members of Board of Studies and thanked each one of them for sparing their valuable time to attend the meeting.

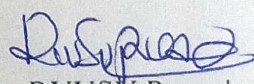

The minutes of the Board of Studies meeting held on 22nd July, 2023 were communicated to the members. The comments received have been incorporated and placed for confirmation.

Discussed and approved the course structure of III & IV semesters and suggested tentative course structure from V to VIII semesters along with Professional Electives, Job Oriented Electives and Open Electives of R20 regulations and BoS committee has recommended the following resolutions.

01. For "Data Structures using Python" course in III semester, the committee is suggested to change the title as "Data Structures" and also in lab too. They recommended conducting the lab experiments in either C or C++.
02. For "Android Programming Lab" in IV semester, the committee is advised to change it as "Android and IoT Applications Lab" and suggested to move it to the higher semesters after completion of the course "Operating Systems".
03. The committee is suggested to move the course "Cryptography & Network Security" from VI semester to V semester (prior to "Ethical Hacking" course).
04. The committee is suggested to include the course "Critical Thinking & Intelligence" in any of the V to VII semesters.
05. For "System Network & Administration" course in Professional Elective-I of V semester, the committee is suggested to include advanced network security topics.
06. The committee is suggested to interchange the Job Oriented Elective courses of "Full Stack Development" and "Block Chain Technologies" of V & VI semesters.

07. The committee is suggested to include more number of specialized courses related to Cyber security in professional electives (at least 2 out of 4 in each elective group).
08. The committee is suggested to include the course "Digital Wellbeing" in professional electives.
09. The committee is suggested to include the theory and lab courses "Introduction to IoT & Applications" in the course curriculum.
10. The committee is recommended to consider the course "Cyber Laws & Security Policies" as a regular course instead of Job Oriented Elective.
11. The committee is suggested to remove the professional elective course "Information Coding techniques" in VII semester.
12. The committee is suggested to include the course objectives, course outcomes along with knowledge levels, web references preferably NPTEL.

Dr. RVVSV Prasad
Chairman, Board of Studies
