**DEPARTMENT LIBRARY BOOKS**

| S.NO | Item  | Description | Number |
|------|-------|-------------|--------|
| 1    | Books | Titles      | 527    |

| S NO | ACC NO     | Title of the book                            | Authors                                 |
|------|------------|----------------------------------------------|-----------------------------------------|
| 1    | CSE/00480  | Object Oriented programming through Java     | Ramya Yarramalla<br>Srikanth Reddy      |
| 2    | CSE/00349  | Object Oriented programming with c++         | E Balagurusamy                          |
| 3    | CSE/00388  | Data structures using c and c++              | Yedidyah langsam<br>Aaron M. tenenbaum  |
| 4    | CSE/00437  | Advanced Data structures                     | A.A.Puntambekar                         |
| 5    | CSE/00275  | Programming in ANSI C                        | E.Balagurusamy                          |
| 6    | CSE/00232  | Probability and statistics                   | Dr.T.K.V.iyengar<br>Dr.B.Krishna gandhi |
| 7    | CSE/00288  | Networks Computer                            | Andrew.S.Tanenbaum                      |
| 8    | CSE/000282 | Data structures and algorithms               | GAVPAI                                  |
| 9    | CSE/00402  | Compiler Design                              | A.A.Puntambekar                         |
| 10   | CSE/00186  | Computer concepts and programming            | P.B.Kotur                               |
| 11   | CSE/00493  | Software project management                  | Walker Royce                            |
| 12   | CSE/00063  | Programming with ANSI and turbo c            | Ashok N. kamthane                       |
| 13   | CSE/00305  | C and Data structures                        | E Balagurusamy                          |
| 14   | CSE/00237  | Mathematical foundation and computer science | Swapan kumar sarkar                     |
| 15   | CSE/00438  | Advanced Data structures                     | A.A.Puntambekar                         |
| 16   | CSE/00338  | Computer programming and Data structures     | E Balagurusamy                          |
| 17   | CSE/00431  | Object Oriented programming through c++      | E Balagurusamy                          |
| 18   | CSE/00072  | Object Oriented programming with c++         | E Balagurusamy                          |
| 19   | CSE/00471  | Cryptography & Network security              | V.S.Bagad<br>I.A.Dhotre                 |
| 20   | CSE/00400  | C programming language                       | Dennis M. Ritchie                       |
| 21   | CSE/00218  | IBM PC Assembly Language and programming     | Peter Abel                              |
| 22   | CSE/00128  | Advanced unix Programming                    | N.B.Venkateswarulu                      |
| 23   | CSE/00164  | Compiler Design                              | G.Sudha Sadasivam                       |
| 24   | CSE/00420  | Object Oriented programming through c++      | E Balagurusamy                          |
| 25   | CSE/00269  | Let us C++                                   | Yashavant kanetkar                      |
| 26   | CSE/00149  | Switching and finite automata theory         | Tata McGRAW-HILL<br>Edition             |
