#### BOARD OF STUDIES (BOS) MEETING (PG-CSE-AIML) FOR R25

The Board of Studies (BoS) for CSE- Artificial Intelligence & Machine Learning department is constituted by the chairman as per the guidelines of Academic Council. Chairman introduced all the members to the Board of Studies (BoS) of CSE department.

---

#### **Resolutions of the Board of Studies (BoS) Meeting:**

The following resolutions were unanimously approved during the Board of Studies (BOS) meeting after detailed discussions and recommendations by the subject experts:

1. The curriculum shall be aligned with the **Model Curriculum** prescribed by JNTUK, Kakinada, ensuring compliance with university guidelines and industry standards.
2. It was resolved to **swap the course "Data Science and Applications" from the II semester with "Mathematics for Machine Learning" from the I semester**, to ensure better conceptual understanding and a strong mathematical foundation for students before taking up advanced data science subjects.
3. It was resolved that the **Reinforcement Learning syllabus may be revised/updated** to align with the latest advancements in the field and to meet industry and academic requirements.
4. It was resolved to revise the laboratory structure by **removing fixed contact hours** for laboratory experiments, allowing greater flexibility in practical sessions.
5. A new topic, **Prompt Engineering**, shall be introduced in the **Generative AI** course in the **II semester** to strengthen students' skills in effectively interacting with AI models.
6. It was resolved to **add updated and latest edition textbooks for all subjects** to ensure alignment with current curriculum requirements and emerging technologies.
