Board of Studies (BoS) committee meeting for UG - B.Tech -

CSE (Data Science) Programme for R23 Regulations held on 07-07-2025

The Chairman - Board of Studies, welcomed and introduced the members.

The agenda for the Board of Studies meeting has been communicated to the members. The comments and suggestions received have been duly incorporated and placed for confirmation.

The course structure and detailed syllabus for V and VI semesters (III Year) under R23 Regulations were discussed. The Board of Studies committee reviewed and approved them, as they are in alignment with the JNTUK curriculum.

They recommended the following resolutions.

01. To ensure a balanced workload for faculty and optimal utilization of laboratory resources, the Skill Enhancement courses "Soft Skills" (VI Semester) and "Full Stack Development - I" (V Semester) have been proposed and got approved for interchanging.
02. The committee has recommended the inclusion of more specialized courses related to the Data Science stream under the Open Electives category.
03. The committee has recommended the inclusion of classroom teaching courses alongside MOOCs/NPTEL/SWAYAM courses. However, a minimum of two MOOCs/NPTEL/SWAYAM courses must be completed to be eligible for the Honors degree.
04. The committee has suggested the inclusion of additional specialized courses related to the Data Science stream under the Honors program.
05. The inclusion of a few more NPTEL courses in the Professional Elective courses has been recommended to broaden the options available to students.
