17	Mrs.M.Kanaka Durga	Internal Member

The BOS Chairman Dr.B.Subrahmanyeswara Rao welcomed all the Experts and Members. He presented the following,

1. The Revised Engineering Curriculum-2020 framed by APSCHE in detail for all the Semesters.
2. Proposed R20 Course Structure of the ECE Department according to Revised Engineering Curriculum-2020, APSCHE
3. Comparison of R19 & R 20 Course Structure with AICTE Curriculum.
4. R20 proposed Syllabus from Semester V to VIII sem courses.
5. Various degrees such as B.Tech-Regular, B.Tech Honor, and B.Tech Minor offered by APSCHE

After the presentation of the BOS Chairman, the room is given to the experts for discussion.

Dr.K.Chandra Bhushana Rao, Professor, ECE Dept., UCEV, JNTUK, Kakinada, University Nominee,

1. Suggested that the COs of each course should cover the entire syllabus.
2. Advised to remove the repeated topics in the proposed syllabus which are already available in the respective prerequisite courses.
3. Suggested to include design topics in antennas, which will be helpful for the student to gain more knowledge about antenna parameters.
4. Discussed about the text books and suggested to include the text books which will be easy for the students to study.
5. He added that prescribed text books should be available in the library. BOS chairman replied that most of the books are available in our library. New books will be purchased before the start of next academic year.
6. Suggested to include recently launched satellites and Indian developed GPS system in Radar and Satellite Communication systems and Global Positioning & Navigational Systems courses respectively. He suggested to look into the ISRO website for the recent and advanced satellites.
7. Suggested to midify the COs of the courses according to the quality of the students for achieving CO-PO mapping.

Dr.Kota Naga Srinivasarao Batta, Assistant. Prof., ECE Dept, NIT Warangal, Subject Expert

1. Advised to design CO for each unit of the syllabus.
2. Suggested to concentrate more on the interested topics such as patch antenna in the antenna wave propagation syllabus.
3. Asked about the simulation tools and advised to use the virtual lab offered by IIT Bombay. And also advised to encourage the students to do mini projects on micro procesors.
4. Advised to maintain atleast two text books and two reference books for each course. He added to use the latest edition text books.
5. Discussed about the title of the course Processors & Controller and advised to change the title as Microprocessors & Microcontroller.
6. Discussed about the Processors & Controller course and suggested that the syllabus should have equal weightage for both basic processors and advanced processors.
7. He also suggested to rename the title of Radar and Satellite Systems course as Radar and Satellite Communication Systems.
8. Asked about the procedure of choosing the electives. BOS chairman answered that the students will choose the elective from the elective list by their own.
9. Suggested to include the recent topics such as LED, LCD in TV Engineering syllabus.
10. Suggested to include the advanced topics in sensor and instrumentation course.

BOS Chairman informed that no student is interested to choose the subject speech processing. The expert responded that he will provide the syllabus which creates interest for the student.

Dr. Anil Kumar Vuppala, Assoc. Prof., Speech Processing Lab, IIIT Hyderabad, Subject Expert,

1. He appreciated the proposed syllabus and the course structure.
2. Appreciated that Electives are well organized.
3. He suggested to include the real time topics in few courses and include the related E-sources.
4. He suggested to change the reference book in the 'Microwave and Optical Communications' course as text book..
5. He informed that only 1 book is included for optical communications. He advised to provide 2 books for Microwave and 2 books for Optical Communications.
