Board of Studies (BoS) committee meeting for UG - B.Tech –

Information Technology Programme for R23 Regulations held on 07-07-2025

The Chairman - Board of Studies, welcomed and introduced the members. The agenda for the Board of Studies meeting has been communicated to the members. The comments and suggestions received have been duly incorporated and placed for confirmation.

The course structure and detailed syllabus for V and VI semesters (III Year) under R23 Regulations were discussed. The Board of Studies committee reviewed and approved them, as they are in alignment with the JNTUK curriculum.

They recommended the following resolutions.

01. With the committee's approval, we have rearranged the contents of Unit-V in the "Automata Theory & Compiler Design" course.

02. To ensure a balanced workload for faculty and optimal utilization of laboratory resources, the Skill Enhancement courses "Soft Skills" (VI Semester) and "Full Stack Development – I" (V Semester) have been proposed and got approved for interchanging.

03. Approval has been obtained for the inclusion of the new course "Fundamentals of Game Design & Development" under Open Elective–I, and "Human Computer Interaction & UI Design" under Open Elective–II, both offered to the students of other departments.

04. It is recommended that credits earned through MOOCs/NPTEL/SWAYAM shall not exceed 50% of the total additional credits (18 credits) required for the award of an Honors degree.

05. The committee has been advised to rename the course title in the Honors pool to "Cloud Computing Lab using AWS/Azure/Google Cloud".

06. The inclusion of a few more NPTEL courses in the Professional Elective pools has been recommended to broaden the options available to students.

Dr. RVVSV Prasad
Chairman, Board of Studies
