The Smart India Internal Hackathon Program was conducted in the AIML Department.	aug 2025	offl ine	60

The **Smart India Hackathon Internal Hackathon** was conducted by the AIML Department to encourage innovation and practical problem-solving skills among students. The event provided a platform for students to develop AI and Machine Learning-based solutions for real-world challenges. Several teams actively participated and presented their innovative project ideas before a panel of faculty members. The projects were evaluated based on creativity, technical feasibility, and social impact. The top-performing teams were shortlisted to represent the institution at the next level of the hackathon.
