PROBLEM SOLVING IN C

Dr. M. Kavitha

K. Karunakar

Dr. T. Raghunadha Reddy

M. Srikanth

ABOUT THE AUTHORS

Dr. M. Kavitha is currently a Professor Department of Computer Science and Engineering, School of Computing, Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology, Chennai. She received a Ph.D degree in Computer Science and Engineering from Vel Tech University. She has published her research findings in various reputed journals and conferences. She is also a reviewer for various journals and contributed in reviewing more than 50 journal papers. Her research areas are Data mining, Machine Learning, Deep Learning and Remote Sensing. She has 18 years of experience in teaching. Her passion in teaching made her to publish this book for the student community.

Mr. K. Karunakar is currently working as an Associate Professor in department of CSE of SIET, Narasapur. He holds a good academic experience in Teaching for under Graduates and Postgraduate students. He is currently pursuing Ph.D from Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology, Chennai. His interested research areas are Authorship Analysis, Text classification, Natural Language Processing, Music Information Retrieval. He has published technical papers in various reputed National and International Journals and Conferences. Previously He is an author of Python with Machine Learning by SCHAND Pvt. Ltd., New Delhi in the year 2018 and E-Commerce, Published by Shree Publishing House, Visakhapatnam in the year 2019.

Dr. T. Raghunadha Reddy completed his B.Tech (Computer Science and Engineering) from Mahatma Gandhi Institute of Technology, Hyderabad in 2003. He completed his M.Tech (Software Engineering) from School of Information Technology (SIT), JNTUH, Hyderabad in 2005. He completed his Ph.D in Computer Science and Engineering from Jawaharlal Nehru Technological University (JNTU), Hyderabad, Telangana. He worked in various reputed engineering colleges and he has 17 years of teaching experience. Currently he is working as Associate Professor in the Department of Computer Science and Engineering, Matrusri Engineering College, Saidabad, Hyderabad, Telangana. He published 47 research papers (32 papers Scopus indexed) in reputed international journals and international conferences on various research domains like Authorship Analysis, Text classification, Natural Language Processing, Information Retrieval and Cloud Computing. He received "Best Researcher Award" from IJIEMR ELSEVIER SSRN RESEARCH AWARDS 2020 for his outstanding research work. He published two books with national and international publishers. He attended several Faculty Development Programs on advanced technologies like deep learning techniques, natural language processing, machine learning etc. He has Professional Memberships in CSI, IET, IFERP and IAENG.

Mr. M. Srikanth is presently working as an Assistant Professor in CSE Department, Swarnandhra Institute of Engineering and Technology, Narasapur. He is currently Pursing Ph.D from Gandhi Institute of Engineering and Technology University (GIET), Gunupur, Odisha. Previously he is an author of Cryptography and Network Security and E-Commerce Published by Shree Publishing House in the year 2019. He has published technical papers in various reputed National and International Journals.
