Mode of Delivery	Offline
Program Objectives	The objective of the World Creativity and Innovation Day, celebrated on April 21 st , aims to promote creative thinking and innovative solutions to global challenges. The program encourages individuals and communities to explore new ideas, foster collaboration, and support sustainable development through creativity across all disciplines.

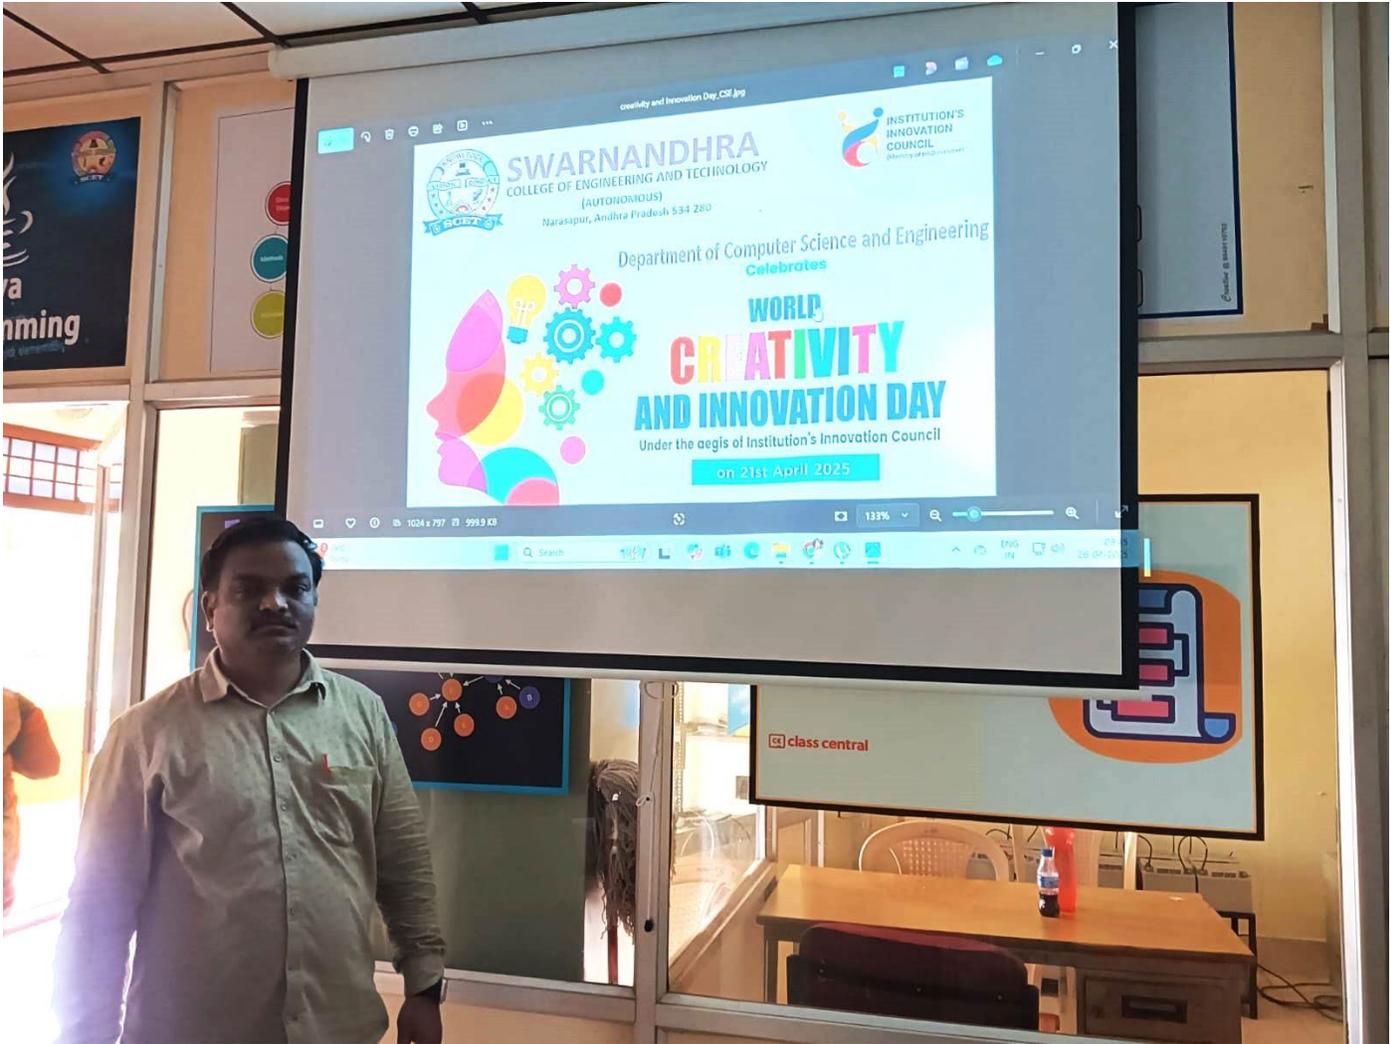

Benefits in terms of learning/skill/knowledge development	promotes creative thinking in education, helping learners develop problem-solving skills, critical thinking, collaboration, and confidence. It supports interdisciplinary learning and prepares students with essential 21st-century skills for the future.
Program Coordinator	Dr. T.Kesava Rao
