After invocation, some of the B.Tech students of the college welcomed the audience for this orientation programme. The students of various branches of the college addressed the gathering. After that, management members had given their valuable message to students. Later, the HODs of all departments had given valuable information about all branches of this college and placement opportunities for students.

At the end of the programme Dr. V. Swaminadham, HOD of Basic Sciences and Humanities introduced course instructions, syllabus and the related curricular activities to freshman Engineering students. At the end of the programme, final B.Tech, CSE Student Kavya delivered vote of thanks to audience. A delicious lunch was provided to the students and their parents.

In the afternoon session, the first year students were made to visit various facilities available in the college. A seven day Induction programme with eminent personalities from various fields was conducted for first year students.
